

Correction to “Irradiation- and Sensitizer-Dependent Changes in the Lifetime of Intracellular Singlet Oxygen Produced in a Photosensitized Process”

Elsa F. F. da Silva, Brian W. Pedersen, Thomas Breitenbach, Rasmus Toftegaard, Marina K. Kuimova, Luis G. Arnaut, and Peter R. Ogilby*

J. Phys. Chem. B **2012**, *116*, 445–461. DOI: 10.1021/jp206739y

In this article, the laser fluence used to irradiate sensitizers in single cell experiments was erroneously given as 7 kJ/cm². The correct laser fluence used in these experiments was 0.29 J/cm².
